

CCWA Candidate Information Bulletin

Commonwealth of Virginia

Blaster Examinations

In the Commonwealth of Virginia, anyone who uses explosives or supervises the loading or firing of explosives, must be certified as either a “restricted” or “unrestricted” blaster as part of the Virginia Statewide Fire Prevention Code (SFPC). The Virginia State Fire Marshal’s Office (SFMO) processes all certification applicants for compliance with Section 27-97.2 of the Code of Virginia and is the sole provider of blaster certifications.

The SFMO is working in concert with the Community College Workforce Alliance (CCWA) to conduct its certification examinations. Your exam will be given by computer. You may schedule your examination by calling CCWA (804) 523-2292 or emailing trainer@ccwa.vccs.edu . If you are an out-of-state candidate, or your drive time exceeds two (2) hours to a CCWA location, prior special arrangements may be arranged to test at a college in close proximity to your home. This is based on each respective college’s availability.

This bulletin describes the process of registering for and taking a Virginia blaster exam. The main steps in this process are listed below. For information about a step, go to the page listed.

To Take an Exam

1. Submit the exam registration form on Page 6 to CCWA.
2. Once registration has been received, CCWA will assist in scheduling your examination. Call CCWA at (804) 523-2292 to pay for and schedule an appointment to take your exam.
3. Prepare for your exam, using this bulletin and materials from other sources. The content outlined in this guide are the basis for the exams. (See Page 6.)
4. Take the scheduled exam, bringing required identification to the test center. (See Page 3).

REGISTERING FOR YOUR EXAM

To register for an exam, you must mail your completed exam registration form (on Page 6) to CCWA. CCWA will process your registration form and send you an approval letter informing you to call CCWA to schedule your exam appointment. This process usually takes 10 business days from the date CCWA receives your registration form.

Be sure to complete all information in the exam registration as incomplete, inaccurate or illegible forms will delay this process.

SCHEDULING AN EXAM APPOINTMENT

Once you receive your approval letter, you must call CCWA at (804) 523-2292 to schedule an appointment to take your exam and pay your exam fee. You may call between 9:00 AM and 4:00 PM (Eastern Time), Monday through Friday. Please have your Visa or MasterCard information available when you call. Exam registration fees **are not refundable or transferable**.

At the end of the call, you will be given a number confirming your appointment. Record and keep this information for your records.

Holidays. Testing will not be offered on Virginia state holidays.

Special consideration

- **ADA accommodations.** If you require testing accommodations under the Americans with Disabilities Act (ADA), please call CCWA at (804) 523.2292 to obtain an accommodation request form. Reasonable testing accommodations are provided to allow candidates with documented disabilities recognized under ADA an opportunity to demonstrate their skills and knowledge. You will need to submit professional documentation of your disability to help us determine the necessary testing arrangements. Thirty days' advance notice is required for all special testing arrangements. There is no additional charge for these accommodations.

- **ESL note.** If English is your second language, please note that a language barrier is not considered a disability.

To avoid an additional exam fee, you must call CCWA at least **three full business days** (does not include weekends and holidays) before the day of your originally scheduled appointment.

Note: If you do not pass your exam, you must re-register with CCWA, pay another exam fee and schedule another exam appointment.

If absent or late for your appointment

If you miss your appointment or arrive late and are not allowed to test, your entire examination fee will be forfeited. You must then re-register with CCWA, pay **another full exam fee** and schedule a new appointment.

If you are unable to attend your scheduled exam due to illness or emergency, call CCWA. Under certain circumstances, the fee reschedule may be waived. CCWA reserves the right to request documentation to support any illness or emergency claim.

Emergency closings

Severe weather or an emergency could require canceling scheduled exams. If this occurs, CCWA will attempt to contact you by phone or e-mail; however, you may check for test site closures by calling CCWA. If **any** respective test site is closed, your exam will be rescheduled without a rescheduling fee.

If a test center is open for testing and you choose not to appear for your appointment, you must re-register with CCWA, pay **another full exam fee** and schedule a new appointment.

TAKING YOUR EXAM

Your exam will be given by computer at a CCWA location. You do not need any computer experience or typing skill to take your exam. Before you start the exam, you will receive a personalized introduction to the testing system. You can also take an introductory lesson on the computer.

Scores are based on the number of questions answered correctly. You will not be given credit for any question answered incorrectly or left blank.

There is no penalty for guessing, so be sure to mark an answer for each question.

Arrival. You should arrive at least 30 minutes before your scheduled exam appointment. This allows time for you to sign in and for staff to verify your identification.

Identification required. You must present a valid form of identification before you can test. That identification document **must**:

- Be government-issued (e.g., driver’s license, state-issued identification card, military identification card or passport).
- Contain **both** a current photo (or a physical description) and your signature.
- Have a name that matches the name used to register for the exam (including designations such as “Jr.” and “III”).

IMPORTANT: Failure to provide appropriate identification at the time of the exam is considered a missed appointment.

If you cannot provide the identification listed above, contact CCWA before scheduling your appointment to arrange an alternative way to meet this requirement.

TEST CENTER REGULATIONS

To ensure that all candidates are tested under equally favorable conditions, the following regulations and procedures will be observed at each test center. Failure to follow any of these security procedures may result in disqualification of your examination. CCWA reserves the right to audiotape and videotape any examination session.
